of appropriate responses. We implement these core public health functions through collaborative relationships with public and private entities, communities and citizens.

The Division of Aging currently located in the Missouri Department of Social Services is charged with promoting, maintaining, improving, and protecting the quality of life and quality of care for Missouri's older adults and persons with disabilities so they may live as independently as possible with dignity and respect.

**REORGANIZATION PLAN NO. 1  
2006**

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD  
GENERAL ASSEMBLY THE STATE OF MISSOURI:

The elimination of legislatively created barriers to consolidation in the financial industry has allowed financial services companies to embark upon an unprecedented period of mergers and acquisitions resulting in companies now offering “one stop shopping” for financial products previously sold by entities strictly separated by law. Proper regulation of this changing field requires the similar consolidation of insurance and financial regulation within the state. Consolidating these responsibilities into one department makes sense administratively and as a matter of public policy because it will allow for a more coherent and comprehensive approach to regulating professionals, financial services, financial products and transactions.

By virtue of the authority vested in me by the Constitution and laws of the State of Missouri, including the Omnibus State Reorganization Act of 1974 and sections 26.500 through 26.540, RSMo, I hereby transmit Reorganization Plan #1 of 2006, by Executive Order 06-04, to remove the Division of Finance, State Banking Board, Division of Credit Unions, and the Division of Professional Registration from the Department of Economic Development and assign their responsibilities and functions to the Department of Insurance. The Department of Insurance will be renamed the Department of Insurance, Financial Institutions and Professional Registration.

The Division of Professional Registration will be included in this consolidation because the new department’s primary function will be the regulation of industries and individuals, which compliments the division’s primary function of regulating various professions.

**SPECIFIC DEPARTMENT STRUCTURE**

The new department will be under the administrative authority of the Director of the Department of Insurance, Financial Institutions and Professional Registration who shall appoint a Deputy Director. The Director will be responsible for the management of the department and administration of its programs and services.

The Deputy Director’s primary responsibility shall be assisting the Director with the regulation of the insurance industry. The Deputy Director shall report directly to the Director. There shall be a Division of Consumer Affairs and as many other divisions of insurance as the Director deems necessary for the efficient regulation of the insurance industry. Division directors shall report directly to the Deputy Director.

The Division of Professional Registration, Division of Finance, State Banking Board, and Division of Credit Unions shall be transferred, by Type III transfer, to the Department of Insurance, Financial and Professional Registration. The State Banking Board and the Directors of the Division of Professional Registration, Division of Credit Unions and the Division of Finance shall continue to be appointed and shall retain all authority as currently provided by law.

The department shall be structured in a manner consistent with the following organizational framework:

1. Insurance
  - a. Office of Director - Responsible for policy decisions, legislation, communications and regulations. Shall consist of the department director, deputy director, legal staff, public information staff, legislative coordinator and support staff.
  - b. Division of Financial Regulation – Responsible for conducting financial analysis and examinations of insurers domiciled in Missouri to verify their financial condition, compliance with Missouri laws, and accepted accounting practices.
  - c. Division of Market Regulation - Responsible for regulating the performance of insurers in the marketplace.
  - d. Division of Consumer Affairs - Assists the public in resolving complaints, providing information on insurance policies and investigating insurance fraud.
  - e. Division of Resource Administration - Oversees licensing, budget, management information systems and support services.
2. Division of Professional Registration – Responsible for licensing qualified professionals, appropriately enforcing standards and maintaining an open communication network with the over 400,000 licensees in order to encourage the development of professional services throughout the state. This division shall be under the management and authority of the Director of Professional Registration.
3. Division of Finance – Responsible for the execution of the laws relating to banks, trust companies, savings and loans, and the banking business of this state; and of the laws relating to persons, co-partnerships and corporations engaged in the small loan business in this state.
4. State Banking Board - Advises the director of finance as to the proper administration of his office and the banking laws of this state and recommends statutory amendments to the general assembly. Also handles appeals from certain decisions and orders of the commissioner of finance; and
5. Division of Credit Unions - Responsible for the examination, supervision, chartering, merger and liquidation of all state-chartered credit unions. The division also responds to consumer requests or complaints in regard to credit union services or operations.

Respectfully submitted,

/s/ Matt Blunt

**REORGANIZATION PLAN NO. 2  
2006**

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE NINETY-THIRD  
GENERAL ASSEMBLY THE STATE OF MISSOURI:

By virtue of the authority vested in me by the Constitution and laws of the State of Missouri, including the Omnibus State Reorganization Act of 1974 and sections 26.500 through 26.540, RSMo, I hereby transmit Reorganization Plan No. 2 of 2006, by Executive Order 06-05, to transfer the Missouri Rx Plan Advisory Commission from the Department of Health and Senior Services and assign it, and all of its responsibilities and functions, to the Department of Social Services.

The transfer of the Missouri Rx Plan Advisory Commission from the Department of Health and Senior Services to the Department of Social Services will improve efficiencies within state government, as the Department of Social Services is tasked with administering the state's pharmaceuticals program, popularly known as "The Missouri Rx Plan".

The Missouri Rx Plan Advisory Commission and the Department of Social Services currently have similar and overlapping functions, which results in the duplication of efforts and waste that can be eliminated by this consolidation. Further, combining these responsibilities into one department makes sense administratively and as a matter of public policy because it will allow a more coherent and comprehensive approach to administering and promoting the Missouri Rx Plan.

**SPECIFIC DEPARTMENT STRUCTURE**

The Missouri Rx Plan Advisory Commission will retain all functions and authority as provided by law. The Department of Social Services shall furnish administrative support and staff as is necessary for the effective operation of the Missouri Rx Plan Advisory Commission.

Respectfully submitted,

WHEREAS, the Missouri Rx Plan was established pursuant to Section 208.782, RSMo and assigned to the Department of Social Services; and

WHEREAS, the purpose of the Missouri Rx Plan is to provide certain pharmaceutical benefits to certain elderly and disabled residents of this state, to facilitate coordination of benefits between the Missouri Rx plan and the federal Medicare Part D drug benefit program, as well as to enroll such individuals in said program; and

WHEREAS, consolidation of the Commission and the Missouri Rx Plan within one department would increase efficiencies and eliminate duplication of efforts and is a component of the Governor's Executive Branch Reorganization Plan of 2006; and

WHEREAS, I am committed to integrating executive branch operations to ensure that the state delivers quality services in the most accessible manner and at the lowest cost to taxpayers.

NOW, THEREFORE, I, MATT BLUNT, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the Laws of the State of Missouri, do hereby order the Missouri Department of Social Services and the Missouri Department of Health and Senior Services, to cooperate to:

The transfer of the Missouri Assistive Technology Advisory Council from the Office of Administration to the Department of Elementary and Secondary Education will improve efficiencies within state government, as other vocational rehabilitation and special education services are already provided by the Department of Elementary and Secondary Education.

Further, transferring this council to a department that provides services germane to the council's stated purpose makes sense administratively and as a matter of public policy because it will allow a more coherent and comprehensive approach to providing these services.

The transfer of the Missouri Life Sciences Research Board from the Office of Administration to the Department of Economic Development will improve efficiencies within state government, as the Department of Economic Development currently administers other programs and state initiatives promoting life sciences in Missouri.

Further, because the Missouri Life Sciences Research Board is responsible for the management, governance, and control of moneys appropriated from the Life Sciences Research Trust Fund, transferring the Board to the department responsible for promoting life science initiatives makes sense administratively and as a matter of public policy because it will allow a more coherent and comprehensive approach to allocating resources for the promotion of Missouri as a leading center for life sciences research.
