Additional Information

For orders to be picked up, you will be contacted by telephone or email to schedule a time for pickup. Be advised that each set consists of two large, heavy boxes. Box 1 contains volumes 1-10 and box 2 contains volumes 11-20, with each box weighing in excess of 40 lbs. Since you will not be able to carry a set to your vehicle due to the weight of the boxes, we will assist you by transporting and loading the boxes into your vehicle.

For shipped sets, while we will ship both boxes of each set on the same day, both boxes may not arrive on the same day. If you have not received both boxes within 2-3 days of the arrival of the first box, please contact us.
